**Visa and Extension of Stay:** Note your visa (figure 1) or extension of stay (figure 2) expiry date and notify IAC two weeks before the expiry date to get an extension of stay based on education or employment.  
FINE: 500 baht per day with a maximum of 20,000 baht for overstaying. If you overstay more than 90 days, you will be deported and banned from re-entering Thailand.

**90-day reporting:** Holders of single-entry visa (figure 1) or extension of stay (figure 2) must report to the Immigration Office every 90 days in person (15 days before to 7 days after the due date) or via online (between 7-15 days before the due date).

**Extension of Stay Cancellation:** Holders of single-entry visa (figure 1) with an extension of stay (figure 2) must cancel their extension of stay at the Phuket Tourism Immigration Office if they no longer work or study at PSU Phuket, effective on the last day of work or study.

**WARNING:** Letting the extension of stay expire on its own and/or leaving the country without cancelling it DOES NOT automatically cancel your extension of stay. Failure to cancel your extension of stay will result in your future extension of stay application being denied by the Immigration Office. You may also be fined with overstay fee if you stayed in Thailand after the last date of your employment or study.
